RACING POST

'A sire gaining momentum with a number of exciting jumps progeny...

He has stood at chickenfeed fees in France but has managed to make his mark, most notably with last year's Grade 1 Manifesto Novices' Chase winner Arzal.'

7th February 2017

Grade 1 sire of...

ARZAL winner of **Gr.1** Merseyrail Manifesto Novices' Chase in 2016, also twice Gr.2 placed

'ARZAL made his intentions clear soon after they set off and galloped his rivals into submission, jumping boldly throughout.' Racing Post 8.4.16

BARRA won impressively over hurdles at Fairyhouse

'What was surprising was the ease with which she disposed of her rivals. She is obviously a talented mare that would hold her own in Graded company.' Racing Post 16.1.17

CHATEAU CONTI won at Cork on his hurdling debut following two Bumper wins in France

'Walsh had not gone for him at all when he was left clear three out. He doesn't seem to lack pace and what he can do on better ground is eagerly awaited.' Racing Post 8.1.17

I will be on the lookout for his stock once they are of age - I've recently bought one from France and sent it to Ireland.. I really like his offspring' **Tom Malone**, bloodstock agent

The trainers love them too...

CYRIUS MORIVIERE
7YO with Ben Pauling
Winner of two novice hurdles

'He jumps so well and we considered sending him straight over fences this season, but I'm pleased we didn't. We'll consider handicaps now, though he'll probably be in the high 130s'

Ben Pauling, trainer.

CIRANO DE SIVOLA
5YO with Warren Greatrex
P2P and Bumper winner from three runs

'I really like him and he could go all the way. He's a fine athletic horse and he jumps for fun.'

Warren Greatrex, trainer.

Also sire of BARATINEUR (6YO with Nicky Henderson, 3 wins), BISE DE MER and BANKWELLE, all winners in France from his first small crops.

'Vendangeur is a promising young sire from limited opportunities.'

Willie Mullins, trainer .

'Barra is high class and has the ability to be a Gr.1 filly.'

Gordon Elliott, trainer.

'Arzal was a horse of a lifetime. He was the horse that put the yard on the map and I'm certain he would have progressed into winning more races at the top level. His frontrunning tactics showcased his speed, but in future years he would have shown that he was blessed with stamina too. I have no doubt that he would have developed into a King George contender.'

Harry Whittington, trainer.
